TRIPLE DEFENSE IMMUNE RESPONSE

Strengthen, Boost and Maintain

What is Tri-Immune Boost?

Tri-Immune Boost is a triple defense immunity formula that consists of potent antioxidants and an essential mineral that assists in supporting the body's immune response.

How Does It Work?

Tri-Immune Boost is a power-packed immunity blend of Glutathione, Ascorbic Acid and Zinc that is the ultimate immune system enhancer. This high concentration blend of immune system boosting essentials helps maintain a healthy immune response.

May Help:

- Increase immune response
- Maintain healthy immune system
- Decrease inflammation
- Optimize healthy cell function
- Aid in wound healing
- Strengthen weakened immune system

GLUTATHIONE | VITAMIN C | ZINC

TRI-IMMUNE BOOST FORMULA

Formula

What's in the formula?

This formula consists of a potent amino acid, antioxidant and essential mineral blend.

- ✓ **Glutathione 200mg/ml** An amino acid and powerful antioxidant that is essential to immune defense. It is required by the immune system for two important reasons: it protects host cells through its antioxidant mechanism and it provides optimal functioning of lymphocytes.
- ✓ **Zinc Sulfate 2.5mg/ml** An essential mineral that contributes to immune defense by its role in the development and function of many immune processes. Supplementing with this mineral may help combat infections and aid wound healing.
- ✓ **Ascorbic Acid 200mg/ml** A strong antioxidant that contributes to immune defense by supporting various cellular functions of both the innate and adaptive immune system.

Recommended Dosage:

Tri-Immunity formula is intended to be a booster shot or may even be prescribed by your physician as an at home self-injection.

- 1ml, 1-3 times weekly
